## INDEPENDENT AUDITOR'S REPORT

---

To the Members of Registered Psychiatric Nurses' Foundation Inc.

I have audited the accompanying financial statements of Registered Psychiatric Nurses' Foundation Inc., which comprise the statement of financial position as at December 31, 2015 and the statements of revenues and expenditures, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independent Auditor's Report to the Members of Registered Psychiatric Nurses' Foundation Inc.  
(continued)

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of Registered Psychiatric Nurses' Foundation Inc. as at December 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

---

1. DESCRIPTION OF OPERATIONS

The Registered Psychiatric Nurses' Foundation Inc. was established April 15, 1980, to enhance the profession of psychiatric nursing education, practice and research by supporting Registered Psychiatric Nurses and psychiatric nursing students to further their education through the awarding of annual Scholarships.

---

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

General

The foundation follows the restricted fund method of accounting for contributions.

Use of Estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of asset and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reported period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they became known.

Fair Value

Due to the short-term nature of all financial instruments other than long-term debt and long-term investments, the carrying values as presented in the financial statements are reasonable estimates of fair value. Management has estimated fair value by reference to established financial markets. As is true for all estimates, actual fair value could differ from this estimate, and if so, any difference would be accounted for in the period in which it becomes known.
